Taking children to a
public rest room can
be a nightmare.

Here's why discerning parents use ZEETS™:

- ZEETS provide a clean seat—a barrier against germs and filth
- ZEETS' strong surface has a kid-sized opening, allowing a child to sit on an adult-sized toilet without being held
- ZEETS' handles keep children from touching dirty toilet surfaces
- ZEETS are lightweight and compact—convenient for on-the-go families whether going across the country or across town
- ZEETS will not slide or shift during use
- ZEETS are fun! Each package comes with an imaginative story about the adventures of a little girl and a magical "Zeet" left with her by a friendly space alien. The stories entertain, stimulate the imagination and incorporate lessons about growing up, getting along, staying safe and other important topics.
